INVENTORY & SALES DASHBOARD SPECIFICATION

PAGE 1 – EXECUTIVE SUMMARY DASHBOARD

DOCUMENT INFORMATION

Field	Details
Document Title	Inventory & Sales Dashboard
Dashboard Code	INV-001
Target Audience	Business Owners & Inventory Managers
Prepared For	Inventory Management Team
Document Version	v1.0
Date	06 October 2026
Status	Ready for Development

PURPOSE

This document provides complete specifications for building the Inventory & Sales Dashboard. The dashboard analyses sales performance, inventory movement, supplier performance, warehouse operations and stock availability.

The dashboard supports business decision-making through KPI cards, chart analysis, pivot reporting and dashboard visualisation.
